EXPERIENCE

- **MERN STACK DEVELOPER INTERN**

As a Full Stack Engineer at CLOFY Technologies, I design and develop cloud-native applications, MERN stack solutions, and low-code/no-code platforms tailored to global business needs. I provide Microsoft 365 advisory, lead cloud migration and multi-cloud deployments, and build scalable SaaS products. My role includes integrating AI/ML-driven automation, optimizing cloud infrastructure costs, and managing end-to-end IT project lifecycles to support both short-term goals and long-term digital transformation.

EDUCATION

- **BE. Electronics & Communication Engineering**

Dr. Mahalingam College of Engineering & Technology
